

Proposal to Form Outreach Committee

January 20, 2019

Whereas OutWorlders has met to discuss the goals for 2019 and determined that collaboration with other groups should be our top priority;

Whereas several members have shown an interest in reaching out to their contacts for such collaboration;

Whereas it was also determined that OutWorlders should host events involving video games as one of the group's top priorities;

Whereas several members have shown an interest in gaming and attending such an event;

Whereas OutWorlders needs to research organizations to collaborate with;

Whereas OutWorlders needs to research venues for events;

Whereas OutWorlders needs to research costs for events;

Whereas OutWorlders needs to research types of events that are possible to participate in, collaborate on, and/or host;

Whereas OutWorlders needs to research equipment and/or personnel needed for such events; and

Whereas OutWorlders needs to research costs for such events.

Resolved:

- that OutWorlders form an Outreach Committee to serve until December 2019:
 - to focus on collaboration with other groups;
 - to reach out to contacts for such collaboration; and
 - to focus on creation of a video game event.
- that Eric Maxwell shall serve as the committee chair and report at the regular business meetings; and

Further resolved that the Outreach committee shall:

- research organizations to collaborate with;
- research venues for events;
- research costs for events;
- research types of events that are possible to participate in, collaborate on, and/or host;
- research equipment and/or personnel needed for such events; and
- research costs for such events.

Mover: Eric Maxwell
